I hired Rollie McCarter to find my birth mother. He was given very limited information for his search, he wasn't even given the name of my birth mother. Within one and a half weeks, he had located the files that would give him information to conclude his search. It is a miracle that after all these years of wondering who my birth mom was, Rollie helped me find her in an extremely short period of time.

Not only was Rollie reasonably priced, he also treated me like a friend. Rollie is an exceptional person who is motivated to help people. Always keeping me informed with up to date information, he gave me the feeling of accomplishment. I highly recommend Rollie McCarter Investigative Services to anyone who needs Private Investigator Services. That is, anyone who wants it done the right way.

Rollie McCarter is not only good at what he does , but he is worth every penny... I did some research myself and found he was actually one of the more cheaper. I was and am still very pleased with the results. Pictured below are me and my Birth Mother at my wedding reception this past Saturday. In the second picture, Grandma Ginny, just a tad above her, my Aunt Sue, just below her, my half sister Jenny, above her, my mom Lori and next to her, my new best friend, Grandpa Jack and me. Third picture is me and my husband, Brandon, entertaining our guests at our wedding reception.....
